TO : Assistant Director for Communications

DATE: 30 January 1953

FROM : Chief, Communications Operations Division, Office of Communications

SUBJECT: RS 6-A, Procurement of

1. In accordance with an agreement reached at the last meeting of the Research and Development Board, it is hereby recommended that steps be taken to initiate procurement of 2500 RS 6-A radio sets. This quantity represents the number of sets necessary to meet this Agency's requirement for approximately two years from the date of delivery. It is based upon estimates which were made by the operating elements of this Agency, an advanced copy of which is attached. It should be noted that this has not been signed.

2. Because of the conflicting information which exists regarding RS-1 radio sets either in stock or in production, recommendation regarding additional procurement of that item will be forwarded under separate cover.
